Sir,

Subject - Installing a duplicate oil Engine at Nagamangala Water Works

---

In forwarding herewith the correspondence received from the President, Nagamangala municipality, on the above subject, I have the honour to state that the Sanitary Engineer has intimated that the existing Engine is giving frequent trouble and it is very necessary to instal a new Engine to avoid future trouble The Subject was placed before the Municipal Council on 31-11-43 and they have resolved to meet 1/3 of the estimated cost, the balance being met by Government

The Sanitary Engineer has prepared an estimate for Rs 1,690 and the Municipal Council is prepared to pay Rs 563/ As the resources of the Municipality are too meagre, the Municipal Council cannot afford to pay more, As the work is of an urgent nature and as the Municipal Council cannot meet the entire cost of the Engine, I request you kindly to obtain sanction of Government for meeting 2/3 of the estimated cost, out of the Water-Supply Grants for the current year

As no provision is made in the current year's budget to meet the Municipal Quota, sanction of Government may kindly

P T O

kindly be obtained to incur the expenditure out of the closing balance

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner,
Mandya District
